

**Dao is love.
because heaven is on earth.
I am one.
because heaven is on earth.
Dao is peace.
is the path to happiness.
Dao is light.
Pure and Perfect Inner light.
Happy Buddha smiles because we are the dao,
and we are ONE.
Dao is love.
Coming from the sky,
It will be reborn and helping to bring Heaven
to Earth.
I am one
because heaven is on earth, finding the way
home, back in to the the light.
Dao is love.
Happy Buddha smiles because we are the dao,
and we are the ONE.**

**Dao is love.
because heaven is on earth.
I am one.
because heaven is on earth.
Dao is peace.
because heaven is on earth.**
